

Ambulatory Programs Combined Registration - Full Text

The following document is a full text version of our combined online registration tool. The document is available to assist in preparing for the registration process; however all registrations must be completed online. For additional assistance, please [contact us](http://bit.ly/AQContactUs) (<http://bit.ly/AQContactUs>).

Ambulatory Quality Improvement Programs Registration

We are pleased to offer opportunities for organizations to participate in the following ambulatory quality improvement programs -- Target: BP, Check. Change. Control. Cholesterol, and Target: Type 2 Diabetes.

Target: BP™

Target: BP™ is a national initiative formed by the American Heart Association (AHA) and American Medical Association (AMA) to improve blood pressure control rates and change the trajectory of cardiovascular health in the U.S. Joining Target: BP signifies your commitment to help reduce the number of Americans living with uncontrolled blood pressure.

detection, and management of cholesterol.

As a registered health care organization, you will be able to:

- Access the data platform for tracking, benchmarking and recognition
- Receive e-newsletters providing the latest information on Check. Change. Control. Cholesterol
- Engage with AHA staff to understand best practices and improvement strategies
- Receive information on webinars, support sessions, and learning from other participants

Target: Type 2 DiabetesSM

Target: Type 2 DiabetesSM is a national initiative of the American Heart Association (AHA) to that aims to prioritize type 2 diabetes and cardiovascular ris(im)0.5 (s) Tc -0.011 Tw 2.52

Health Center, etc.

Fields denoted with a red asterisk (*) are required. You may close this form and return to it later by clicking on the website browser link (using the same computer and browser) and continuing where you left off. This only applies to forms which have not been finalized.

Q1. To help us better support your organization please return

Acknowledgements

Target: BP Acknowledgments

I acknowledge and agree to the [Target: BP Data Use Agreement](#). The DUA is an agreement between your organization and the AHA/AMA that dDUIPs TdI10.745 (M)6.4 (A)3.57
